

Jennifer Mallari, Web Designer and Visual Designer

Vancouver, British Columbia, Canada

Portfolio: jennifergmallari.ca | Email: jennifergmallari@gmail.com | LinkedIn: [in/jennifergmallari](https://www.linkedin.com/in/jennifergmallari)

SUMMARY

Creative, versatile designer passionate about simplifying complex ideas into clear and engaging experiences. My work spans web design, visual design and storytelling and social media campaigns. I thrive on creating not only visually appealing designs but also functional ones — transforming ideas into solutions that people can connect with and enjoy.

PROFESSIONAL EXPERIENCE

Web Designer and Researcher

Applied Research Centre at Langara College | October 2024 – Present

- Lead the IDEAs in Public Recreation project's full visual identity and develop a responsive website (innovaterecreation.ca) in Webflow, delivering on time for project launch.
- Design promotional materials (flyers, banners, posters, postcards and presentations) to enhance community recognition and drive higher participation in engagement activities.
- Manage website maintenance and content updates, ensuring the site reflects current project progress and stakeholder needs.
- Collect, analyze, and visualize project data, transforming insights into clear, actionable reports for the team, research partners and community.

Instructional Media Assistant

Recreation Studies Department at Langara College | October 2023 – December 2024

- Recorded, edited, and uploaded lecture captures in D2L, contributing to a 50% increase in HyFlex student participation.
- Delivered technical support to instructors and students, resolving multimedia and online tool issues for a smooth hybrid learning experience.

SKILLS

Soft Skills

- Attention to detail and organized
- Ability to self-manage and collaborate with cross-functional team
- Reliable, proactive and always willing to learn
- Empath and effective under pressure
